

CONSTRUCTION WORK AT CATCON

Luke Taylor
Site Manager

"CATCON's experienced and supportive management structure, allows employees to further progress their careers while working on a diverse portfolio of projects."

Steven Saunders
Operator

"Over the past 10 years I have gained valuable experience not only as an excavator operator, but also learned how various civil construction techniques are applied to certain projects. It has been a pleasure to work with all the guys within CATCON, as they are a great bunch of people."

Cassey Clarke
Operator

"Working with CATCON has been rewarding as I have had the opportunity to widen and diversify my skills and knowledge within the industry, from the ground up."

Nathan Batanas
Supervisor

"My time with CATCON has given me many great opportunities to gain a variety skills, and I have been able to put these into practice on many CATCON projects across Australia."

Illario Panetta
Construction Supervisor

"Working with CATCON as a construction supervisor has been a smooth transition from my previous employer and I am enjoying the challenges that my current projects give me."
