

PROFESSIONALS AT CATCON

Darryl Millar
Plant Manager

"I believe CATCON are leaders in Civil Engineering. CATCON have provided me opportunities to experience heavy machinery at another level with in this dynamic organisation. It is very rewarding to be part of an innovative team."

Nathan King
Project Manager

"I enjoy being part of a company that actually creates projects with its own people, knowledge and experience instead of managing lots of sub contractors to complete a project."

Clare Webster
Project Engineer

"CATCON believe that professional development and training are paramount in producing quality project managers of the future. As such, they have supported my decision to undertake post graduate studies to obtain my Masters in Business Administration."

Chris Tzamtzidis
Contracts Administrator

"CATCON is built on a substantial depth of friendly and capable people and it is great to be a part of the team now and into the future."

Pamela Gallardo
*Finance & Accounts
Payable Administrator*

"After several years of experience in the services industry in various roles, I joined CATCON and since then a truly learning journey has occurred. The many challenges of a dynamic industry and the people I work with make this job a rewarding experience. My peers have been supportive no matter how busy they are."

TESTIMONIALS

WELCOME TO CATCON

PROFESSIONAL WORK AT CATCON

At CATCON we need like-minded thinkers who embrace opportunities, who have safety as a priority, and have vision, commitment and pride to deliver superior project outcomes for our varied clients and consortium partners.

The ideal candidate for a position at CATCON demonstrates safe and sound work principles, passion for work, commitment, values, leadership capability, operational and technical knowledge and skills, a solid and dedicated work ethic and the ability to work safely and well with others.

Professional work at CATCON includes the full spectrum of professional and corporate roles ranging from: Project Managers, Commercial Managers, Estimating and Scheduling, Project and Site (Civil or Construction) Engineers, Contracts & Project Administrators, Site Administrators, Administration and Finance, Plant, Equipment and Logistics, Purchasing, Human Resources, Quality, Safety and Environment Managers and Advisors.

Professional work at CATCON provides a broad section of practical experiences. Generally, project related professionals are based at our metro, regional and remote project sites. Other professional opportunities are generally based at our modern Head Office premises.

EMPLOYMENT PRINCIPLES AT CATCON

CATCON is dedicated to Safety and developing a good culture, diverse workforce and providing a work environment in which every employee is treated fairly, reasonably, is respected and has the opportunity to contribute to the success of our business – whilst being given the opportunities to realise their full potential.

It is the policy of CATCON that all operations are carried out in compliance with statutory requirements, established standards and our own safety principles and rules to ensure the health and safety of all personnel on CATCON's work sites.

Our employment focus is to harness the unique skills and experience that each individual brings, recognise that these differences are crucial to our future success in the Civil Construction industry.

Recruitment

All employees and applicants are treated respectfully and evaluated according to their job-related skills, licences, tickets, qualifications, abilities, attitudes and aptitudes.

Our recruitment principles are designed to ensure that the best people are chosen for the right positions at CATCON.
