

# ENVIRONMENTAL POLICY

CATCON has a focus to conduct business in a manner that is safe and respects the environment and to deliver superior civil engineering outcomes in the Power, Mining, Water and General Infrastructure sectors.

CATCON undertakes its business in full compliance with statutory, certification and contractual requirements. CATCON will retain third party certification of its management system to the requirements of ISO 14001.

CATCON continually aims to minimise environmental harm, improve environmental management processes, protect the environment and prevent pollution.

CATCON sets measurable objectives for environmental performance and reviews company and project performance.
